THE MEDICAL STAFF NEWSLETTER OF WATERBURY HOSPITAL

Welcome To the New Physicians of 2010

A MESSAGE FROM

STEVEN E. SCHNEIDER, MD

Vice President of Medical Affairs

With the holidays upon us once again, it's time for our annual issue of the Pulse newsletter welcoming all the new physicians who have joined the hospital medical staff over the past year. In keeping with years past, the new physicians who joined us in 2010 brought with them their own individual strengths, gifts and talents, but all of them brought a fresh energy and dedication that always serves to invigorate the people around them. New faces are an inevitable and welcome fact of life in a hospital community, and Waterbury

Hospital was fortunate to see numerous highly skilled new faces join our ranks last year.

It is our hope that this issue will help all of our medical staff familiarize themselves with the new physicians they may encounter in the course of their professional travels. We hope it will serve as an icebreaker of sorts as we continue to carry out the hospital's mission in 2011. In the meantime, I wish you all a warm and happy and safe holiday season.

Steven E. Schneider, MD
Vice President of Medical Affairs

Welcome to the New Physicians of 2010
